

Academics

As an Academic, there are several benefits and opportunities available by being a member of the Royal Meteorological Society:

- Enhance your knowledge and widen your network by attending **RMetS meetings** ^[1] and **conferences** ^[2]
- **Remote-viewing** for our national meetings, plus **access speaker presentations** following national meetings
- Become **professionally accredited** ^[3] by applying for Registered ^[4] and Chartered Meteorologist ^[5] status

Other benefits of membership for Academics:

- Get involved with the **peer review of papers** and membership of editorial boards
- Up to 90% discount on seven of the Society's scientific journals ^[6], as well as well as being available to download the Apps for each journal ^[7] for free from the App Store or Google Play, to read on your smartphone or tablet.
- **Record your CPD activities** on the Society's own online tool, ACCSYS
- Volunteer as a mentor or sign-up as a mentee as part of our **mentoring scheme** ^[8]
- After gaining experience, **apply for fellowship** of the Royal Meteorological Society
- Eligibility for the Legacies Fund ^[9], grants ^[10] and fellowships
- Up to 30% discount off normal registration fees for the Annual Conference ^[2]

Support:

The Royal Meteorological Society is a registered charity, and hence relies upon member subscriptions and donations to help support our charitable work in science and education

You can also join in with:

- outreach activities
- our Facebook ^[11], Twitter ^[12], LinkedIn ^[13] and Instagram ^[14] pages
- attend and get involved with meetings at our local centres around the UK ^[15]

- participate in our [Special Interest Groups](#) ^[16]
- [access to educational resources](#) ^[17] including instruments

[Join the Society](#) ^[18]
